I am writing to let you know that ORD will soon respond to a Request for Correction we received from attorneys representing Denka Performance Elastomer LLC (DPE) on the *Toxicological Review of Chloroprene (CAS No. 126-99-8) In Support of Summary Information on the Integrated Risk Information System (IRIS)*. We have been coordinating on this with Anne Idsal in Region 6 and they will send an additional letter to acknowledge the efforts of the company in reducing emissions and next steps. We have mentioned this too Ryan as well. Happy to discuss if you have any questions.
